

Purpose of Report

The purpose of this filing is to provide additional information with respect to the EEO Program Report filed in LMS File No. 0000183336 (the “*Initial Report*”). The Licensee intends that the instant filing supersede and replace the Initial Report.

The Licensee timely filed the Initial Report when due in connection with the license renewal application for KAKE(TV). The Initial Report inadvertently omitted low power television stations KHDS-LD and KGBD-LD.
