1	Ongoing Event	Establishment of an intern program designed to assist members of the community	<p>Through the years, WLNE has been involved in helping members of the community achieve their educational goals. WLNE recruits students interested in the broadcast industry by widely advertising our internship programs at career fairs and by educating managers to mention this opportunity when speaking with members of the community. Letters of Agreement are filled out by the prospective intern and signed off on by a professor of the university. During this period, we have had a total of six internships at WLNE.</p> <p>News Interns spend time learning the functions of the newsroom which include reporting, editing, shooting video, and writing stories. News interns also include Sports which focus more on newsgathering and preparing clips for sports segments. Creative Services interns learn the functions of the promotions department which include shooting video, writing and editing promos and can also include commercial production for station clients.</p>	3	News Director News Director Promotions Manager
2	Ongoing Event	Participation in other activities designed by the station employment unit	WLNE produced a television spot which airs approximately each day on different day parts. The spot asks organizations having employment opportunities to contact WLNE or the purpose of being added to WLNE's mailing list informs job seekers to check WLNE's website for postings of current openings. The spot confirms WLNE is an Equal Opportunity Employer.	1	GM
