

**Certification Regarding Compliance with Section 73.3526 of
the FCC's Rules During the Preceding License Term**

Following review of the station's public inspection file, Applicant believes it has correctly certified that documentation required by 47 C.F.R. Section 73.3526 has been uploaded to the station's public inspection file when required. Applicant notes, however, that while political file documents were always promptly uploaded, in some instances such documentation was not uploaded within one business day of receiving the request for time.
