

A map of Long Island Sound, New York, showing sampling stations and a red fish-shaped area. The map includes a coordinate grid with latitude (40° 30' N to 41° 30' N) and longitude (73° 30' W to 74° 30' W). A red fish-shaped area is outlined in the center of the sound, representing the study area. Sampling stations are marked with black crosses and labeled with names. The stations are distributed throughout the sound, with a higher density in the northern and eastern parts. The red fish-shaped area is located in the central part of the sound, roughly between 40° 45' N and 41° 00' N latitude and 73° 45' W and 74° 00' W longitude.

Station Name	Approx. Latitude (° N)	Approx. Longitude (° W)
Nassau Farms	40° 55' N	73° 55' W
Laughing Waters	41° 05' N	73° 50' W
