

Amendment

Operational Status for TV Translator Station K31EO-D, Mora, NM (Facility ID 22275)

This amendment is submitted to note that TV Translator station K31EO-D, Mora, New Mexico (Facility ID 22275) is currently on the air and broadcasting. K31EO-D resumed regular operations in accordance with the station's license on November 9, 2022 after a period of off-air status authorized by Silent Special Temporary Authority (see FCC File No. 0000193407). As noted in the STA filing, the temporary off-air status had begun on June 1, 2022 and was necessitated by wildfire damage to the translator station's facilities. A notice of resumption of operations was filed for K31EO-D in FCC File No. 0000203745.
