RE: FM Antenna Orientation (Station WMYE 91.9 FM)

Dear Rob;

As a result of field work on December 9, 2022 and calculations we have determined that the orientation of the above referenced FM Broadcast Station Antenna is bearing 204 degrees (+/- 1 degree) to True North (Grid North).

If you require any additional information regarding this matter please do not hesitate to contact our office.

Sincerely:

Miller Surveying, Inc.
