B. Pursuant to the terms and subject to the conditions set forth in this Agreement, Seller desires to sell to Buyer, and Buyer desires to purchase from Seller, the Station Assets (defined below).

Agreement

NOW, THEREFORE, taking the foregoing into account, and in consideration of the mutual covenants and agreements set forth herein, the parties, intending to be legally bound, hereby agree as follows:

ARTICLE 1: SALE AND PURCHASE OF ASSETS

1.1 Station Assets. On the terms and subject to the conditions hereof, at Closing (defined below), subject to Section 1.2, Seller shall sell, assign, transfer, convey and deliver to Buyer, and Buyer shall purchase and acquire from Seller the Station Assets (the “Station Assets”), which are limited to the following:

(a) The permits and other authorizations issued to Seller by the FCC with respect to the Station (the “FCC Permits”), that are described on *Schedule 1.1(a)* attached hereto;

(b) Seller’s public file for the Stations; and

(c) Any studio or tower leases in Seller’s name associated solely with facilities used for the operation of the Station (“Station Contracts”), that are described on *Schedule 1.1(c)* attached hereto.

1.2 Assumption of Obligations. On the Closing Date (defined below), Buyer shall assume the regulatory obligations associated with the Stations including but not limited to timely construction, licensing and operation of the Stations in accordance with the FCC Permits. At that time Buyer shall also assume the obligations of Seller arising during, or attributable to, any period of time on or after the Closing Date under the Station Contracts (if any) (collectively, the “Assumed Obligations”). Except for the Assumed Obligations, Buyer does not assume, and will not be deemed by the execution and delivery of this Agreement or any agreement, instrument or document delivered pursuant to or in connection with this Agreement or otherwise by reason of

the consummation of the transactions contemplated hereby to have assumed, any other liabilities, commitments or obligations of Seller of any kind, whether or not disclosed to Buyer, including, without limitation, any liability or obligation of Seller under any contracts not included in the Station Contracts (the “Retained Obligations”). Seller shall retain all of the Retained Obligations.

1.3 Purchase Price. The purchase price to be paid by Buyer to Seller for the Station Assets shall be the sum of **Thirty-Five Thousand Dollars (\$35,000.00)**, subject to adjustment pursuant to Section 1.5 (the “Purchase Price”).

1.4 Method of Payment. The Purchase Price shall be paid as follows:

(a) Deposit. On the date of this Agreement, Buyer shall deposit with Escrow Agent the amount of **Seven Thousand Dollars (\$7,000.00)**, as a deposit toward the acquisition of the Station Assets (the “Deposit”). At Closing, the Deposit shall be applied to the Purchase Price. If this Agreement is terminated pursuant to Section 9.1(c) or (e), the Deposit shall be disbursed by wire to Seller. If this Agreement is terminated for any other reason, the Deposit shall be disbursed by wire to Buyer. The parties shall not, by any act or omission, delay or prevent any such disbursement.

(b) Cash at Closing. In addition to the release of the Deposit, at Closing, Buyer shall pay to Seller an additional cash sum of **Twenty-Eight Thousand Dollars (\$28,000.00)** (“Upfront Cash”). The Upfront Cash shall be delivered to Seller *via* wire transfer (unless otherwise requested by Seller). Wire instructions shall be provided to Buyer by Seller at or before the Closing.

1.5 Prorations and Adjustments. All prepaid and deferred income and expenses relating to the Station Assets (if any) involving the Station shall be prorated between Buyer and Seller in accordance with generally accepted accounting principles (“GAAP”) as of 12:01 a.m. on the day of Closing (the “Effective Time”). Prorations and adjustments shall be made no later than sixty (60) calendar days after Closing.

1.6 Closing. Subject to any prior termination of this Agreement subject to Section 9.1, the consummation of the sale and purchase of the Station Assets provided for in this Agreement (the “Closing”) shall take place on or before the tenth (10th) business day after the date of the final FCC Consent, or as the parties mutually agree following the date of the initial FCC Consent.

1.7 FCC Consents.

(a) Within ten (10) business days of the date of this Agreement, Buyer and Seller shall file an application with the FCC (the “FCC Application”) requesting FCC consent to the assignment of the FCC Permits to Buyer. FCC consent to the FCC Application without any material adverse conditions other than those of general applicability is referred to herein as the “FCC Consent.” Buyer and Seller shall diligently prosecute the FCC Application and otherwise use their commercially reasonable efforts to obtain the FCC Consent as soon as possible.

(b) Buyer and Seller shall promptly notify each other and provide copies of all documents filed with or received from any governmental agency or otherwise served on it with respect to the FCC Application, this Agreement or the transactions contemplated hereby. Buyer and Seller shall furnish each other with such information and assistance as the other may reasonably request in connection with their preparation of any governmental filing hereunder. Buyer and Seller each shall oppose any petitions to deny or other objections filed with respect to the FCC Application to the extent such petition or objection relates to such party.

SELLER REPRESENTATIONS AND WARRANTIES

Seller makes the following representations and warranties to Buyer:

1.8 Organization. Seller is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization. Seller has the requisite power and authority to own and operate the Stations, to carry on the Stations’ business as now conducted by it, to execute, deliver and perform this Agreement and all of the other agreements and instruments to be made by Seller pursuant hereto (collectively, the “Seller Ancillary Agreements”) and to consummate the transactions contemplated hereby.

1.9 Authorization. The execution, delivery and performance of this Agreement and the Seller Ancillary Agreements and the consummation by Seller of the transactions contemplated hereby and thereby have been duly authorized and approved by all necessary action of Seller and do not require any further authorization or consent of Seller. This Agreement is, and each Seller Ancillary Agreement when made by Seller and the other parties thereto will be, legal, valid and binding agreements of Seller enforceable in accordance with their respective terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors’ rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

1.10 No Conflicts. Except as set forth on *Schedule 1.10* and except for the FCC Consent and consents to assign certain of the Station Contracts, the execution, delivery and performance by Seller of this Agreement and the Seller Ancillary Agreements and the consummation by Seller of any of the transactions contemplated hereby or thereby does not conflict with any organizational documents of Seller, any contract or agreement to which Seller is a party or by which it is bound, or any law, judgment, order, or decree to which Seller is

subject, or require the consent or approval of, or a filing by Seller with, any governmental or regulatory authority or any third party.

1.11 FCC Permits. Seller is the holder of the FCC Permits described on *Schedule 1.1(a)*. The FCC Permits are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired. There is not pending, or, to Seller's knowledge, threatened, any action by or before the FCC or any event that has occurred which is likely to result in the FCC taking action to revoke, suspend, cancel, rescind or materially adversely modify any of the FCC Permits (other than proceedings to amend FCC rules of general applicability). There is not issued or outstanding, by or before the FCC, any order to show cause, notice of violation, notice of apparent liability, or order of forfeiture against the Station or against Seller with respect to the Station that could result in any such action.

1.12 Compliance with Law and Regulations. Except as set forth on *Schedule 1.12*, Seller has complied in all material respects with all laws, rules and regulations pertaining to the Station, as well as with the FCC Permits, the Communications Act of 1934, as amended (the "Communications Act"), and the rules, regulations and policies of the FCC.

1.13 Litigation. Except as set forth on *Schedule 1.13*, there is no action, suit or proceeding pending or, to Seller's knowledge, threatened against Seller in respect of the Station or the Station Assets.

1.14 Station Assets. The Station Assets are not encumbered.

ARTICLE 2: BUYER REPRESENTATIONS AND WARRANTIES

Buyer hereby makes the following representations and warranties to Seller:

2.1 Organization. Buyer is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, and is qualified to do business in the jurisdiction in which the Station Assets are located. Buyer has the requisite power and authority to execute, deliver and perform this Agreement and all of the other agreements and instruments to be executed and delivered by Buyer pursuant hereto (collectively, the "Buyer Ancillary Agreements") and to consummate the transactions contemplated hereby.

2.2 Authorization. The execution, delivery and performance of this Agreement and the Buyer Ancillary Agreements and the consummation by Buyer of the transactions contemplated hereby and thereby have been duly authorized and approved by all necessary action of Buyer and do not require any further authorization or consent of Buyer. This Agreement is, and each Buyer Ancillary Agreement when made by Buyer and the other parties thereto will be, the legal, valid and binding agreements of Buyer enforceable in accordance with their respective terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

2.3 No Conflicts. Except for the FCC Consent, the execution, delivery and performance by Buyer of this Agreement and the Buyer Ancillary Agreements and the consummation by Buyer of any of the transactions contemplated hereby or thereby does not conflict with any organizational documents of Buyer, any contract or agreement to which Buyer is a party or by which it is bound, or any law, judgment, order or decree to which Buyer is subject, or require the consent or approval of, or a filing by Buyer with, any governmental or regulatory authority or any third party.

2.4 Litigation. There is no action, suit or proceeding pending or, to Buyer's knowledge, threatened against Buyer which questions the legality or propriety of the transactions contemplated by this Agreement or could materially adversely affect the ability of Buyer to perform its obligations hereunder.

2.5 Qualification. To Buyer's knowledge, Buyer is legally, financially and otherwise qualified to be the permittee of, acquire, own and operate the Station under the Communications Act and the rules, regulations and policies of the FCC. To Buyer's knowledge, there are no facts that would, under existing law and the existing rules, regulations, policies and procedures of the FCC, disqualify Buyer as an assignee of the FCC Permits or as the owner and operator of the Station. To Buyer's knowledge, no waiver of or exemption from any FCC rule or policy is necessary for the FCC Consent to be obtained. To Buyer's knowledge, there are no matters which might reasonably be expected to result in the FCC's denial or delay of approval of the FCC Application.

ARTICLE 3: SELLER COVENANTS

3.1 Seller's Covenants. Between the date hereof and Closing, except as permitted by this Agreement or with the prior written consent of Buyer, which shall not be unreasonably withheld, delayed or conditioned, Seller shall:

(a) keep the Station in compliance with FCC rules and regulations and the Communications Act, except that Seller may, but shall not be required to, construct the station prior to the expiration of its current authorization to maintain compliance if the closing has not occurred prior to such expiration; and

(b) not adversely modify or apply for any construction permit to modify the FCC Permits, and in all respects maintain in full force and effect, the FCC Permits, and all other permits and authorizations relating to the Station Assets and except as provided in 3.1(a), take any action necessary before the FCC to preserve such licenses in full force and effect without material adverse changes and timely file and prosecute any necessary applications for the Station.

ARTICLE 4: JOINT COVENANTS

Buyer and Seller hereby covenant and agree as follows:

4.1 Confidentiality. Subject to the requirements of applicable law, and the required filing of this agreement to the FCC, all non-public information regarding the parties and their business and properties that is disclosed in connection with the negotiation, preparation or

performance of this Agreement (including, without limitation, all financial information provided by Seller to Buyer) shall be confidential and shall not be disclosed to any other person or entity, except on a confidential basis to the parties' attorneys, accountants, investment bankers, investors and lenders, and their respective attorneys for the purpose of consummating the transaction contemplated by this Agreement, except where such information is known through other lawful sources or where its disclosure is required in accordance with applicable law.

4.2 Announcements. Prior to Closing, no party shall, without the prior written consent of the other (such consent not to be unreasonably withheld or delayed), issue any press release or make any other public announcement concerning the transactions contemplated by this Agreement, except to the extent that such party is so obligated by law, in which case such party shall give advance notice to the other, and except that the parties shall cooperate to make a mutually agreeable announcement.

4.3 Control. Buyer shall not, directly or indirectly, control, supervise or direct the operation of the Station prior to Closing. Consistent with the Communications Act and the FCC rules and regulations, control, supervision and direction of the operation of the Station prior to Closing shall remain the responsibility of Seller as the holder of the FCC Permit.

4.4 Developments. Between the date hereof and Closing, each of Seller and Buyer shall promptly notify the other party of becoming aware of any material variance to, or material breach of, any such party's representations, warranties or covenants hereunder, or any order or decree or any material written complaint which requests an order or decree restraining or enjoining the consummation of this Agreement or the transactions contemplated hereby.

8.3 Procedures.

(a) The indemnified party shall give prompt written notice to the indemnifying party of any demand, suit, claim or assertion of liability by third parties that is subject to indemnification hereunder (a “Claim”), but a failure to give such notice or delaying such notice shall not affect the indemnified party’s rights or the indemnifying party’s obligations except to the extent the indemnifying party’s ability to remedy, contest, defend or settle with respect to such Claim is thereby prejudiced and provided that such notice is given within the time period described in Section 8.1.

(b) The indemnifying party shall have the right to undertake the defense or opposition to such Claim with counsel selected by it. In the event that the indemnifying party does not undertake such defense or opposition in a timely manner, the indemnified party may undertake the defense, opposition, compromise or settlement of such Claim with counsel selected by it at the indemnifying party’s cost (subject to the right of the indemnifying party to assume defense of or opposition to such Claim at any time prior to settlement, compromise or final determination thereof).

The FCC filing fees and newspaper notice costs shall be split evenly between Buyer and Seller.

10.2 Further Assurances. After Closing, each party shall from time to time, at the request of the other party, without payment of further consideration, execute and deliver such other instruments of conveyance and assumption and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby.
