

## **Exhibit**

### **FCC Violations**

WRNN License Company, LLC (“RNN”), licensee of WRNN-TV, New Rochelle, New York (the “Station”) discloses the following FCC violation. On January 20, 2016, the Commission issued a *Notice of Apparent Liability & Forfeiture* (DA 16-67) for failure to display the E/I symbol on two of the Station’s digital multicast channels (its fourth and fifth multicast channels) for its children’s programming for the period July 1, 2012 to December 31, 2015. RNN corrected the problem and timely paid the forfeiture and the Station has had no similar issues since that time.
