

This amendment to the previously filed comprehensive exhibit is submitted at the request of Commission staff to clarify that a multiple ownership showing is not required. Specifically, there is no change to the existing radio ownership group and no change to the multiple ownership. This existing group complies with 73.3555 of the Commission's Rules. Particularly, this transfer is in accordance with Note 4 to § 73.3555 in that this is a transfer of control to heirs or legatees by will or intestacy, and no new or increased concentration of ownership would be created among commonly owned, operated or controlled broadcast stations.
