

**Certification Regarding Compliance with Section 73.3526 of  
the FCC's Rules During the Preceding License Term**

Upon review of its Public Inspection File to determine whether documentation required by Section 73.3526 of the FCC's Rules has been uploaded when required,<sup>1</sup> Applicant found that:

- While Applicant retains a list of all documents required to be disclosed under Section 73.3613 in its Public Inspection File, some documents were not added to the station's Section 73.3613 list (or, alternatively, uploaded) within 30 days after execution. An updated Section 73.3613 list was included in the station's most recent biennial ownership report.
- The Quarterly Issues and Programs List for Second Quarter 2017, due by July 10, 2017, was uploaded on July 23, 2017, and the Quarterly Issues and Programs List for Third Quarter 2017, due by October 10, 2017, was uploaded on October 16, 2017.
- While the station timely uploaded some documentation to demonstrate compliance with Section 73.670 of the FCC's Rules during Fourth Quarter 2017 and Second Quarter 2018 through First Quarter 2019, additional documents demonstrating compliance for those quarters were uploaded July 20, 2020 and July 23, 2020. The Commercial Limits Documentation for Second Quarter 2018 through First Quarter 2019 did not include a list of programs aired during the quarter that were designed for children 12 years of age and younger. The station has uploaded amended certifications to its Public Inspection File.
- Some political file materials were not uploaded to the Public Inspection File within one business day of receiving the request for time.

Applicant will continue to remind station staff of Public Inspection File requirements and has provided, and will continue to provide, additional training to station staff and has worked to implement additional accountability procedures to enhance the station's compliance with Public Inspection File deadlines going forward.
