

# **WNYE EEO Report Narrative Statement**

WNYE has recruited for all full-time vacancies and has undertaken the supplemental recruitment measures as set out in its EEO Public File Reports, including sponsoring community events, providing internship programs, listing positions on popular employment websites, presenting events at educational institutions, and annual EEO trainings.

Elsa Hampton serves as the Chief EEO Officer and Executive Director of the Department of Information Technology and Telecommunications (DoITT) Office of EEO & Diversity Management. In addition, Chisom Ananaba, Assistant General Counsel and Chief Diversity Officer for the Mayor's Office of Media and Entertainment, works on reports and matters specific to NYC Media (a unit of DoITT that operates the station).
