

### WFNY-CD Online Public File

Throughout the license term, the licensee has generally uploaded required documents to the online public file in a timely manner. Two documents were uploaded slightly late, however, due to confusion surrounding the postponed due date following a suspension of Commission operations. These two documents were the children's television commercial compliance report and the issues/programs list for the fourth quarter of 2018. Both of these documents were uploaded to the online public file on Monday, March 11, 2019, 31 days and the first business day following the 30<sup>th</sup> day after the extended deadline of February 8, 2019. See, "Public Notice," Revision to Filing and Other Deadlines Following Resumption of Normal Commission Operations," DA 19-26, released January 29, 2019.
