

### Basis for STA Request (KJEF)

Station KJEF(AM) recently suffered a transmitter failure. Townsquare repaired the damaged circuit boards and returned the station to air but after doing so discovered another failure. Out of an abundance of caution, Townsquare subsequently took the station off air on February 10, 2023. Further repairs are ongoing but, in the meantime, Townsquare respectfully requests special temporary authority for the station to remain silent. Townsquare will promptly notify the Commission when the station is able to resume operations.
