

Compliance with Multiple Ownership Limits

There are currently more than 45 full power commercial and noncommercial radio stations in the Salt Lake City-Ogden-Provo, UT market. In this market, the only stations in which Applicant or any of its officers currently hold an attributable interest are KWLO(AM), Springville, UT (Facility ID 161249) and KPVO(FM), Fountain Green, UT (Facility ID 190393). This complies with the Commission's multiple ownership rules, which permit a single person or entity to hold up to 8 commercial radio stations and up to 5 commercial stations in the same service (AM or FM). Grant of this minor modification application will not result in any changes to Applicant's ownership interests in the market.
