

Narrative Statement

Radio License Holding CBC, LLC ("RLH"), licensee of Station WMOS(FM), Stonington, CT (Facility ID No. 60251), hereby notifies the FCC that on 2/16/23, the transmitter was only able to make 50% power. Engineers are working with the manufacturer on finding the problem and to get the transmitter repaired.

RLH hopes to resolve this problem shortly. If, however, this technical issue is not resolved within the 30 day period, a formal request for a Special Temporary Authorization will be filed with the FCC.
