

### **Section 73.3555(a)(1) Multiple Ownership**

Parker, Arizona is not a part of any Nielsen Audio Market and KRIT is not listed as home to any Nielsen Audio Market. Chavez Radio Group, Licensee of KRIT does not own any full power radio stations within 92 km. of KRIT. FCC ownership rules permit the ownership of one FM radio station in any size market. Therefore, it is believed that this proposed KRIT minor modification complies with the Commission's multiple ownership rules.
