

W275BD 2nd Adjacent Waiver Request

W275BD requests a 2nd adjacent Waiver Request with Respect to WOLT Indianapolis, Indiana. A 103dbu Contour Map of WOLT is provided. This map shows the 143dbu Contour of W275BD wholly within the 103dbu Contour.

Utilizing the 10 watt RF signal of W275BD and the Census data from Com Study, a reliable and repeatable program, there are zero persons within the 143 dbu Contour of W275BD. The area covered is wholly within the area of the proposed W275BD Transmitter site at 9799 Ditch Road Carmel Indiana and no homes or businesses are impacted by the W275BD location.

A Google Map view is provided PDF of the 9799 Carmel Indiana Address which shows no homes or businesses within the area of the W275BD 143dbu Contour.

Based on the height of the W275BD application there will be little impact at ground level. As no persons according to Census Data are impacted applicant requests a continuation of 2nd adjacent Waiver with respect to WOLT.
