

STATEMENT OF EDUCATIONAL OBJECTIVE

The proposed assignee is a non-profit corporation organized to perform charitable, religious, educational and scientific activities within the meaning of Section 501(c)(3) of the Internal Revenue Code.

The station will be used for the advancement of educational programming that will further that objective in accordance with 47 C.F.R. Section 73.503. Specifically, the applicant's programming will address broad issues of cultural significance to the various growing populations in the United States, focusing on including all voices in discussions and content seeking solutions to various societal issues, including those related to physical, spiritual and mental health, family relationships, finances, abuse and poverty. These programs will educate the public and help to enhance the spiritual, emotional, intellectual and physical well-being of viewers. By ascertaining and responding to the needs of the local community, the station will serve the public interest.
