Chris,

Thank you very much for your time earlier. Frank and I (representing the assignee and assignor, respectively) have both tried logging into LMS to undo the Notice of Consummation, but are not able to do so. If possible, could you please try to withdraw and/or revise the notice internally so that the previously-filed consummation notice does not cover WADO?

Please let us know if there is anything either of us can do to assist.

Thanks again,  
Warren
