

PRIMARY STATION CHANGE NOTIFICATION

Community Broadcasters, LLC (the “Licensee”), permittee of W279EL (Fac. ID No. 155946), Kingstree, SC (formerly W247BN, prior to the currently pending modification of that FM translator¹) (the “Translator”), hereby notifies the Federal Communications Commission that the primary station rebroadcast by the Translator is changing to WHYM(AM) (Fac. ID No. 24149), Lake City, SC.

Licensee provides the information below:

- The instant Primary Station Change Notification (the “Notification”) is for a licensed translator facility, which was previously licensed under the call sign W247BN until the Modification was submitted. The license renewal application for the Translator was granted on November 19, 2019, and the current license term expires on December 1, 2027. *See* FCC File No. 0000079004.
- This Notification applies to all pending/recently granted translator applications, including the Modification.
- Attached as Exhibit 1 is the required contour exhibit showing that the 60 dBu contour of the Translator is within the greater of the 2mV/m daytime contour of WHYM(AM) and/or a 25-mile (40 km) radius centered at WHYM(AM)’s transmitter site.
- The Translator is a fill-in facility, and the delivery method is direct IP.
- The Translator was not part of the AM Revitalization filing windows that were open from 2017 to 2018. Rather, the Translator has been a licensed FCC facility since 2005. *See* FCC File No. BMPFT-20050302AFC.

¹ *See* FCC File No. 0000208292 (the “Modification”).
