Notification of Temporary Suspension of Operations

NCE TV Translator Station K28LK-D, Silver City, NM (Facility ID 168139)

Regents of New Mexico State University (“NMSU”), licensee of TV translator station K28LK-D, Silver City, New Mexico, notifies the Commission of the station’s temporary suspension of operations. Translator station K28LK-D has been silent since February 24, 2023 due to technical/site issues, after the station’s transmission antenna facility was rendered inoperable due to the collapse of the transmitting tower on February 23, 2023. NMSU will submit a separate application for Silent Special Temporary Authority should the off-air status of extend for thirty (30) or more days, or will notify the FCC when the translator is able to resume operations.
