

**RESUMPTION OF OPERATIONS
WITH CONSTRUCTION PERMIT (CP) PARAMETERS
K277CV TUCSON, AZ, FACILITY ID 155925**

Arizona Lotus Corp. ("Lotus") hereby provides notice to the FCC Audio Division staff that FM translator K277CV has commenced operations on Channel 227 in accordance with the CP parameters in FCC File No. 0000207310. This CP allows the station to make a remedial change in channel under 47 CFR § 74.1233(a)(i)(A)(2), which was necessary to eliminate interference caused to another broadcast station.

The FM translator's new call sign is K227DX. Lotus also has simultaneously submitted a license to cover application for the on-air CP parameters.
