

Adherence to Minimum Operating Schedule

KTLO-LP was silent with Commission authorization for the period from December 11, 2019, to January 8, 2020. *See* LMS File Nos. [0000093891](#) (STA request) and [0000097707](#) (resumption). As explained in the resumption filing, KTLO-LP resumed operations at variance from its licensed parameters pursuant to STA granted in LMS File No. [0000089548](#).

After this renewal application was initially filed, the station commenced digital operations as KTLO-LD. *See* LMS File No. [0000179222](#).

KTLO-LD was also silent for the period from March 24, 2022, to April 10, 2022, due to an apparent issue with the transmission line and antenna. A silent STA request was timely filed. *See* LMS File No. [0000189001](#). Full, licensed operations were restored prior to grant of the request and a withdrawal of the silent STA was filed.
