**Auction Exhibit**

The construction permit for one of the stations that is the subject of this transfer of control application, WMGA(FM), Kenova, West Virginia (FCC Facility ID No. 164110), was originally obtained by Connoisseur Media, LLC, as the winning bidder in FCC Broadcast Auction 37. Connoisseur qualified for a new entrant bidding credit of 35% in that Auction. The construction permit was issued by the Commission on March 18, 2005. The unjust enrichment period expired before the station's current licensee purchased the station's FCC license and assets in 2012.
