

ANNUAL EQUAL EMPLOYMENT OPPORTUNITY
PUBLIC FILE REPORT
WPVI-TV, 6ABC
PHILADELPHIA, PENNSYLVANIA
APRIL 1, 2022

I. GENERAL POLICY

This annual EEO report is filed in accordance with Federal Communications Commission ("FCC") regulations to detail the equal employment opportunity ("EEO") efforts of WPVI-TV (also referred to herein as "6abc" or the "Station") for the period beginning on March 16, 2021 through March 15, 2022.

WPVI-TV, owned and operated by ABC, Inc., is an equal opportunity employer and follows a consistent practice of outreach to the community and workforce regarding broadcast career and job opportunities. The Station's policy is to provide skills development and the opportunity for advancement to all current and potential employees regardless of race, color, gender, marital status, religion, age, national origin or citizenship status, disability, sexual orientation or status as a Vietnam era or special disabled veteran.

II. INTERNAL RECORD KEEPING

A file is created for each job opening at WPVI-TV. Each file contains an application from every interviewee for that position. It also includes the job posting and advertisements placed for each open position and a completed internal applicant recruitment form that details basic information about the job (such as title and date position was open and filled). This form also lists every person interviewed for the position, their referral source (where known), their interview dates, and the dispositions of their interviews (whether or not they were offered and accepted the position, and if so, their hire dates). The data contained in these internal files is used to help prepare the Station's ANNUAL EEO PUBLIC FILE REPORT and enable the Station to evaluate the effectiveness of its recruitment and outreach efforts.

A file of unsolicited resumes is kept with each department for a period of one year.

III. SPECIFIC RECRUITMENT MEASURES

All openings for full time non-temporary positions are announced in the following ways:

First, WPVI-TV has an extensive list (see Section III -A, below) of organizations and individuals that have requested notification of Station job openings. The list is updated when new requests are received. Announcements of all full time non-temporary job vacancies are routinely sent to this entire list, which includes the website of the Pennsylvania Association of Broadcasters.

Second, an Equal Employment Opportunity over-the-air broadcast announcement, soliciting groups interested in being added to the jobs mailing list, aired monthly on WPVI-TV/ D-1 and D-2 stations. The text of the announcement was as follows: “WPVI, 6abc is an equal opportunity employer. Organizations that distribute employment information, or refer job seekers to employers, can be included in our mailing list. For more information, call us at 215-878-9700.” A contract indicating the schedule for this announcement, and log pages verifying that they aired, are on file at the Station. A similar announcement is posted within the job listings section of the Station’s website, www.6abc.com.

Third, as part of its continuous effort to make people aware of the Station’s job openings and internship opportunities, WPVI-TV utilizes the Station’s website, www.6abc.com. A listing of open positions and the internships available within WPVI-TV, with an explanation of the application requirements and procedures, is regularly updated on the website.

Fourth, the Station’s vacancies are also included in a Station employment hotline to which interested callers to the Station are directed (215-871-1225). Individuals who call the Station’s main number (215-878-9700) to inquire about job openings are connected to the hotline (extension 1225). They hear a recorded message listing each job opening and providing instructions for how to apply for the position.

Finally, all position openings are forwarded to ABC, Inc.’s Human Resources Department to be posted on both the internal (intranet) and the external (internet) Disney Jobs site (DisneyCareers.com). When a job posts to the Disney Jobs site, it is also made available to the Direct Employers Association Network sites, such as JobCentral.com for distribution to dozens of state/metro –area networks, college/alumni links, and diversity, military and veteran sites. Other Station recruitment sources include talent and employment agents, referrals from current or former employees, and industry colleagues. Interested internal candidates from WPVI or from its sister stations are also always considered.
