

Section 73.215 Compliance

The WRRX(FM) transmitter site proposed herein is fully-spaced to all current allocations, licensed broadcast facilities, outstanding construction permits, and pending applications, with the exception of a 1.2 kilometer short-spacing to first-adjacent channel, Class A Station WBZR-FM, Atmore, AL. The applicant requests continued processing under Section 73.215 of the Rules with respect to WBZR-FM.

Radio station WBZR-FM operates pursuant to a "Section 73.215 Authorization" (FCC File No. BLH-20101012ACQ). In accordance with Section 73.215(b)(2)(iii), Exhibit 2 shows the predicted protected and interfering contours from the "Section 73.215 authorization" at WBZR-FM as well as the proposed WRRX(FM) predicted protected and interfering contours. As shown in Exhibit 2, prohibited contour overlap will neither be caused nor received with respect to the short-spaced station. Therefore, the instant proposal satisfies the provisions of Section 73.215 of the FCC Rules.
