RE: WEAK-LP, Facility No. 131497, Hobby Radio, Inc., Athens, Ohio.

Request for temporary authority to stay silent.

The station's lease of the tower site at 6747 State Highway 56, Athens, Ohio, has been cancelled. The tower owner will be removing the tower shortly.

Hobby Radio is exploring other possible sites. In the alternative, the licensee is seeking other possible qualified not-for-profit entities who might be interested in acquiring the license.

Attorney for Hobby Radio, Inc.
