

**WBZM-LD, Wilkes Barre, PA (Fac. Id. 187451)**  
**Renewal Application Amendment**

The license renewal application is being amended to reflect that the station is now silent after transmission line damage has been discovered and a determination made that a complete replacement is necessary. WBZM-LD has filed the applicable notice and request for temporary authority to remain silent (LMS 0000214612). Once repairs are complete, WBZM-LD will file a further renewal application amendment to report the station's return to operating status.
