

Justification for STA

The translator's licensed site is no longer available to the licensee. As a result, the translator was taken off air and has a silent STA. Because the one-year silent deadline is approaching June 13, 2022, the licensee requests permission to operate from a temporary site until the permanent site can be constructed.

Antenna coordinates: North Latitude 21 deg 19 min 49 sec

West Longitude 157 deg 45 min 24 sec

ERP for K264BL 0.099 kW

Height above average terrain: 645 meters
