Notification of Silence and Request for Silent STA

Caribbean Broadcasting Network, LLC, licensee of WSJP-LD, Aguadilla, Puerto Rico (Facility ID No. 127507), respectfully submits this notification of silent status and request for special temporary authority to remain silent. *See* 47 C.F.R. § 73.763.

On or around May 18, 2023, WSJP-LD ceased transmitting and has been off the air since that date. A series of power failures in the area caused the station's transmitter to fail, rendering the station silent. Because of the facility's physical location in Puerto Rico, the licensee has determined more than 30 days will be necessary to diagnose and resolve the issues with the transmitter.

The licensee respectfully requests silent special temporary authority of 180 days.
