Silent STA Request

Request for Special Temporary Authority to Remain Silent

Lowcountry 34 Media, LLC (“Lowcountry”), the licensee of low power television station W20EY-D, Wilmington, North Carolina (Facility ID No. 185717) (“W20EY-D”), hereby requests Special Temporary Authority (“STA”) for W20EY-D to remain silent while major tower work is completed on W20EY-D’s tower.

On May 31, 2023, Lowcountry ceased operations with W20EY-D due to the commencement of major tower work on W20EY-D’s tower. The tower work involves changing out the top shared antenna used by the 3 full-power stations operating from W20EY-D’s tower. The tower work is expected to take 2 to 3 months to complete and will require W20EY-D to remain silent while the work is being completed.

Out of an abundance of caution, however, Lowcountry respectfully requests an STA for W20EY-D to remain silent for 180 days to provide sufficient time for the tower work to be completed and for W20EY-D to resume operations thereafter.
