

**WOO-LD MINOR MOD APPLICATION  
WESTMORELAND, NEW HAMPSHIRE  
ENGINEERING AND RF RADIATION ANALYSIS  
JUNE 8, 2023**

WOO-LD is a licensed LPTV facility on CH 28 and authorized for LPTV DTV operation under file number 0000153199 on October 27, 2021. This application has been prepared on behalf of Milachi Media, LLC ("Milachi") in support of its application to increase radiation center AMSL by 0.8 meters. The increase is required due to a modification to FCC Tower Registration #1031648 where the ground elevation was previously 18 meters and is now 18.8 meters. No changes in the support structure or antenna system have been made.

Operation of the station in full compliance with OET-65 Guidelines for worker and public exposure will continue.
