Dear Licensee:

This is in reference to the above station requesting special temporary authority (STA) to remain dark.

Based on the facts set forth your request is hereby granted to expire six months after the grant date.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740(a)(4). That is, you must continue to adhere to the requirements in your station authorization pertaining to lighting of antenna structures and be aware of the commission's rule that stations that are off the air continuously more than 12 months, their license authorizations will automatically expire.

Request for further extension of this authority must include your reasons for extension and a description of the steps being taken to return to the air.
