

Contingent Call Letter Reservation

This call letter reservation request is filed by the proposed assignee in LMS 0000216676, and is contingent upon the grant of the application and consummation of the transaction proposed therein. Applicant has selected August 10, 2023 as the effective date, but if a grant occurs and a closing is scheduled before that date, Applicant will either file an amendment requesting an earlier effective date or coordinate with the FCC's call sign desk for an earlier effective date.
