

### **Waiver Sections 4.1204(d) & 74.1235**

Applicant requests a 1204(d) population waiver. Please refer to the attached non- interference exhibit.

Applicant also requests a 74.1235 waiver of the power limitations and antenna systems for translator K272AY. The HAAT for this proposal is 806m which restricts the ERP to 10W.

The HAAT for the current license is considerable higher at 1,161m and the ERP was grandfathered at 66W. Applicant is requesting to maintain the ERP at 66W for this proposal. This translator provides service to the native American Yukon population residing in the Yukon Indian Reservation in Del Norte County, California.
