(704) 523-5555****CERTIFICATION OF ANTENNA INSTALLATION**

This letter of certification is to inform all who are concerned that the directional antenna system at radio station KYFS in San Antonio, Texas was installed pursuant to the antenna manufacturers instructions. The Jampro JHPC-6 DA antenna system including its' parasitics and reflectors were observed by myself to be properly installed. The antenna system was oriented as per the surveyor present whose letter of certification is enclosed.
