

Multiple Ownership

The instant transfer application proposes (the “Proposed Transaction”) that Transferee, Common Sense Media LLC (“CSM”), will acquire attributable interests in MAGA Radio Network LLC (“MRN”), which is the licensee of the following full-power radio broadcast station: WJFN-FM, Goochland, Virginia (Facility ID No. 87127) (“WJFN-FM”). WJFN-FM is “home” to the Richmond, VA market (the “Market”). CSM is not currently the licensee of any other full-power radio broadcast station in the Market.

CSM’s sole shareholder, Anita L. Fredericks, currently holds attributable interests in Disruptor Radio LLC (“Disruptor”), which is the licensee of the following full-power radio broadcast station listed as “home” to the Market: WJFN(AM), Chester, Virginia (Facility ID No. 27440) (“WJFN”).¹ Neither Mrs. Fredericks, Disruptor, nor any of Disruptor’s other attributable interest holders currently hold attributable interests in any other full-power radio broadcast station in the Market.

As shown in the Market’s BIA Report attached hereto as **Attachment A**, the Market is currently home to 41 full-power radio broadcast stations. In markets comprised of between 30 and 44 full-power commercial and noncommercial radio broadcast stations, a party is permitted to hold attributable interests in 7 commercial full-power radio broadcast stations in the same market – of which no more than 4 commercial full-power radio broadcast stations may be in the same service.²

Following the closing the proposed Proposed Transaction, Mrs. Fredericks will hold attributable broadcast interests in 2 full-power commercial radio broadcast stations (1 AM and 1 FM) listed as home to the Market: WJFN-FM and WJFN. Accordingly, before and after the closing of the Proposed Transaction, CSM and its attributable interest holders have been, and will be, in compliance with the FCC’s multiple ownership rules with respect to the Market.

¹ Please note that the BIA Report attached hereto incorrectly lists MRN as WJFN’s licensee. WJFN, however, was assigned to Disruptor on June 16, 2020. See CDBS File No. BAL-20200317AAB.
