Re: EDI Media, Inc. (EDI)
KWRM(AM), Corona, CA
Facility Identification Number: 39692
Special Temporary Authority (STA)
BESTA-20230104AAB

Dear Mr. Su:

This is in reference to the request filed on January 4, 2023. EDI requests a further extension of the STA granted on December 23, 2021, to continue operating from an alternate site using a temporary antenna (due to loss of the licensed site).¹ In support of the request, we noted that EDI stated that they plan to file an amendment to the pending application BP-20211110AAD to change the site and engineering parameters (since the originally planned site is no longer viable).

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and EDI may continue to operate with the following facilities:

Geographic coordinates	33° 49' 01" N, 117° 30' 29" W (NAD 1927)
Frequency	1370 kHz
Hours of operation	Unlimited
Operating power	0.010 kW

¹ KWRM(AM) is licensed for DA operation on 1370 kHz with 5 kW day and 2.5 kW night using different patterns, and BP-20211110AAD proposes ND operation from a new site with reduced power.

Antenna type

Information Station Specialists ANXX
vertical whip antenna

Antenna Efficiency

87 mV/m/kW at 1 kilometer

EDI must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR §1.1310.

This authority expires on **July 5, 2023**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Szczesny", with a large loop at the end of the first name.
