

Family Stations, Inc.

License to Cover Application for Facility ID, 20864, WJFR, Jacksonville, FL, ARN: 0000194171
Installing Engineer Certification

In fulfillment of the Special Operating Condition regarding the pertinent antenna installation, the undersigned directly supervised the antenna installation and attests that the installation of the WJFR, Jacksonville, FL ARN 0000194171 complies with the provisions of the underlying construction permit and the underlying construction permit application.

I, Robert H. Branch, Jr., am an experienced broadcast engineer with over 30 years of experience in radio station construction and applicable FCC regulations regarding the instant application and facility installation. My qualifications are a matter of record at the Federal Communications Commission.

Robert H. Branch, Jr.
