

### **SPECIAL CONDITIONS**

The required medical notification studies specified in the underlying construction permit (File Number 0000207574) have been completed and no medical facilities were found within the expanded noise limited contour; therefore, no additional medical notifications are required. Accordingly, the Special Condition requirements depicted in the station's construction permit have been satisfied.

### **CERTIFICATION**

This technical statement was prepared by William T. Godfrey, Jr., Engineering Associate with the firm Kessler and Gehman Associates, Inc. having offices in Gainesville, Florida, and has been working with the firm in the field of radio and television broadcast consulting since 1998.
