Resumption of operations

On 08/07/2023 K35OU-D experienced multiple transmitter problems and the transmitter had to be removed for factory repair. As the outage was expected to be in excess of 30 days Ventana Television Inc. applied for a silent STA under file #0000219516.

The transmitter has been repaired and normal operation resumed 09/04/2023 in accordance with K35OU-D's license (file #0000067363). This notice serves as notice of resumption of operations and withdrawal of the above referenced silent STA application.
