Construction Permit for AM Station WVGC at Clayton, Georgia.
BMP-2021004AAE

Mr. Bradshaw:

I am 100% owner of WSGC Radio LLC which is licensee for WVGC (FIN-54562) and FM Translator Station W259DH (FIN-200643), both licensed to Elberton, Georgia.

I am requesting immediate cancellation **ONLY** of the outstanding construction permits at Clayton, Georgia for both WVGC and W259DH.

WVGC BMP-20211004AAE

W259DH-0000143725

WVGC will continue serving Elberton, GA with license BL-20031204AKC repeated over W259DH, license BLFT-20190318ABK.

Thank you for your assistance on this matter.

Best regards,
