

### **Request for Special Temporary Authority**

Delmarva Educational Association (“Delmarva”), licensee of FM translator station W262AG, Jacksonville, Florida (Facility ID No. 81215), Channel 262/ 100.3 MHz (“W262AG”), hereby requests Special Temporary Authority (“STA”) to operate at a reduced power of 70 watts.

Delmarva has received permission from Chesapeake-Portsmouth Broadcasting Corporation, licensee of WMUV, Brunswick, Georgia (Facility ID No. 48243), Channel 264/ 100.7 MHz (“WMUV”), for W262AG provide fill-in service for WMUV. In order to comply with the FCC’s rules governing fill-in translator service, however, W262AG’s power must be reduced to ensure that its protected contour is wholly within WMUV’s protected contour. Delmarva is also filing a minor modification application to reduce W262AG’s power permanently to comply with the Commission’s fill-in translator rules.

Accordingly, Delmarva respectfully requests STA to operate W262AG with reduced power until W262AG’s minor modification application has been granted.
