

Compliance with Special Conditions

The Applicant commits to complying with any special operating conditions or restrictions listed on the construction permit which requires no action or specific response at licensing. Required responses to listed special conditions or restrictions are listed below.

- The applicant has identified and notified health care facilities (as described in 47 CFR 15.242(a)(1)) within the WLS-TV service area of the DTV operation by providing details of the WLS-TV technical facility specified herein. The Applicant will maintain this documentation and address any correspondence relating to this material as set forth in the special condition as listed on the WLS-TV construction permit.
