Request for Special Temporary Authority *Nunc Pro Tunc*

Entravision Holdings, LLC (“Entravision”), the licensee of KTFV-CD, McAllen, Texas (FID 28280) (the “Station”), hereby requests special temporary authority (“STA”) to operate the Station in accordance with its displacement construction permit, File No. 0000028392 (the “CP”), while its requests for reinstatement and license to cover are pending. The Station first commenced operations in accordance with the CP on Friday, March 13, 2020, without issue. Unfortunately, due to an administrative oversight, Entravision did not file a license to cover, STA for the Station, or waiver of Section 312(g) of the Communications Act.

Concurrently herewith, Entravision is filing a License to Cover with a Request for Reinstatement and Waiver of Filing Deadline. This application is intended to cover the Station’s continued operations while that application remain pending.
