

Translator Rebroadcast Certification

FM Translators W227DS and W260DI operate as fill-in stations for commercial AM stations WLOY (Facility ID. No. 27190) and WYVE (Facility ID No. 59686) respectively—all stations and translators are commonly owned by Assignee and included as part of this Assignment Application. Neither translator is rebroadcasting a commercial FM station, and the arrangement complies with the requirements of 47 C.F.R § 74.1232(d).
