

This notification is filed as the result of K225AR, Wenatchee, WA commencing the rebroadcasting of co-owned KZML-HD2, Quincy, WA, in lieu of the former analog signal of KZML. A digital notification for KZML is being filed simultaneously with the filing of this notice. The map below was generated by technical consultant Kevin J. Youngers of Greeley, Colorado.

According to K225AR's 2003 construction permit application, File No. BNPFT-20030827ALB, it is a fill-in FM translator.
