

## **NONCOMMERCIAL EDUCATIONAL STATUS**

This facility rebroadcasts primary station WPKN at Bridgeport, CT (Facility ID 73886.)

WPKN is a non-commercial educational facility.

The W288DL facility itself is therefore also NCE, as correctly noted in the underlying Application for Modification of a Licensed Facility.

The answer to the question as to “Facility Type” is incorrect.

However, it is unable to be changed by the applicant.
