TRUTH AND LIFE RADIO

Educational Purpose

Truth and Life Radio views mankind with three distinctive components: physical, emotional, and spiritual. It is our belief that all three of these components must be in balance for mankind to have a fulfilled life. TRUTH AND LIFE RADIO further believes that our American society and secular media have ignored the spiritual component of mankind.

TRUTH AND LIFE RADIO will focus on both local and national programs to bring the spiritual component of mankind to the attention of our listeners. Thus, the radio station's focus and mission will be to assist local community non-profits in the following areas:

1. To make the local audience aware of the spiritual component of man and to encourage them to be people of positive values, positive attitudes and to have a Bible based morality. Instructing the listeners to be people of faith, truth, and honesty; encouraging each listener to have an attitude of fairness and compassion as they deal with others in their communities.
2. To reinforce positive family values in the home. Educating and encouraging families to fulfill their respective roles in a productive society.
3. To serve as a venue for positive community news and activities.
4. To share positive and uplifting music.

TRUTH AND LIFE RADIO will seek out local non-profit corporations with a desire to produce specific local programming. The local non-profit programming will be supplemented with TRUTH AND LIFE RADIO programming and national programming sources. Therefore 3 combinations of source material will provide the regular schedule of programming which fulfills our four educational goals and purposes for the community.

In summary, the programming presented to the public will encourage people to live their lives in right relationship with God. The Bible will be the cornerstone in the foundation of our teaching and programming focus.
