

**COMMUNITY TELEVISION EDUCATORS, INC.**  
**Application for License Renewal**

**NON-COMMERCIAL STATUS AND EEO**

The station set forth in this application is licensed as a non-commercial educational station. Accordingly, Community Television Educators, Inc. (“CTE”), the licensee of the station, properly is responding “N/A” to the items in the Renewal Certifications section relating to the Commission’s rules on multiple ownership and non-discriminatory advertising sales agreements.

In addition, as indicated in the “DTV/Class A Certifications,” CTE is exempt from preparing and uploading an annual EEO Public File Report because there are fewer than five full-time employees located at the station’s employment unit.
